Dear Dr. Lederberg:

As you may know, Dr. Bruce Waxman has been named Director, Health Care Technology Program, National Center for Health Services Research and Development, Health Services and Mental Health Administration. Since Dr. Waxman's departure, I have been named Acting Chief of the Special Research Resources Branch pending selection of his successor.

The Special Research Resources program will, of course, continue to operate under its present policies and procedures. You will be notified when a successor to Dr. Waxman has been appointed.

Sincerely yours,
